## About Conference Organizers:

### University

Babasaheb Bhimrao Ambedkar University established in Lucknow in 1996 as Central University (by an Act of Parliament 1994) with the objectives of promoting advance knowledge by instructional and research facilities in science, key and frontier areas of technology and other allied disciplines. This is the Post-Graduate and research University aims to promote professional studies, Inter-disciplinary studies, research and development activities. These academic programmes have potential for employment and relevant for the development of Indian Society. At present, ten functional schools comprise of twenty five departments which offer more than 90 courses in various disciplines.

### Department

The Department of Library and Information Science is functioning in the University since 1997 with the aim to provide up-to-date LIS education to the students through effective teaching and practical training. The department is working with the vision to educate individuals for career as Librarians, Information Professionals, Archivists, Information Scientist and Knowledge Managers. The students are trained in order to undertake instruction, research and service oriented programmes that offered current & emerging information technological developments and market requirement. The DLIS is offering Bachelor (BLIS), Master (MLIS), M.Phil. & Ph.D. Programmes in Library and Information Science.

### Society for Promotion of Libraries (SPL), Uttar Pradesh

Society for Promotion of Libraries (SPL), Uttar Pradesh

is one of the youngest Library Association in the country. The main objective of SPL is to create awareness and to achieve high standard in Librarianship. The society is committed for the development of Libraries. The SPL aims to build a single platform for all LIS professionals where they can share their experiences in the digital era.

### Society for Library Professionals (SLP), New Delhi

The SLP established in 2008 to achieve a high standard of Librarianship in India through the development of libraries and information centers to promote LIS professions in India. It has micro-documents, serials and official publications published by research organizations, corporate bodies, international organizations and their allied agencies, universities and the Central and the State government, departments and their research and evaluation cells. At present the library has approximately 1, 40,460 books, and 3000 statistical serials on the social sciences in India and other countries.

### Asian chapter, Special Libraries Association (SLA), USA

The Special Libraries Association (SLA) with its headquarter at USA, is a non-profit global organization for information professionals and their strategic partners. SLA founded in 1909 in New York and is now the international association representing the interests of thousands of information professionals in over eighty countries worldwide. It has more than 15000 members in the USA, Europe and other parts of the world. SLA serves the information professionals working in corporate, academic,

government, media, finance, science, research, museums, trade associations, non-profit organizations. The SLA Asian chapter covers a large geographical area consisting of 22 countries.
