

Department of Mathematics

Babasaheb Bhimrao Ambedkar University (A Central University), Lucknow

The department of mathematics is going to celebrate the National Mathematics Day on **22nd December** to commemorate the Birthday on Srinivasa Ramanujam.

In this regard, a **quiz competition** will be organized by the department of mathematics. There are **two rounds** in this quiz. In the first round, an online quiz will be conducted on **19/12/2020** through google sheet containing 20 MCQ questions. The top 20 students will be qualified for the second round.

The second round will be organised on **22/12/2020** through google meet. In this round, the questions will be asked online and the student who raises hand first will be asked for the answer.

Top 3 students will get prize and top 20 students will get the e-certificate of participation.

The quiz is open for all students. Please register yourself at
