Startup Centre

Babasaheb Bhimrao Ambedkar University

(A Central University)

Lucknow

Entrepreneurs, designers, researchers and students are invited to submit innovative design projects and ideas for Startup which could benefit to users, underprivileged and larger society.

The innovation can be from agriculture, IT services, Healthcare, Water, Energy or other related fields that has potential to benefit large sections of the society. The best of the best ideas would be recognized as shining examples of startup excellence and provided with startup grant and mentored at BBAU Startup Centre, Lucknow.

A 5-page concept note along with the details of ideas, design and products and how the startup would contribute to inclusive growth and innovation should be mailed to usicbbau@yahoo.com, by 10th December 2017. Hard/Print copies should be submitted to the office of USIC, BBAU/Dr. Mukesh Kumar, Technical Assistant (9935498468).
