3. Course Contents:- **DE 105: Indian Economy-I**

No. of Lectures, tutorials, contact hours: 10 x 4 = 40 hours

DE 105: Indian Economy I

4. Objectives: This CBCS paper provides an opportunity for the students from other departments to choose courses from the prescribed courses of Economics for overall development of knowledge. This course examines sector-specific policies and trends in key indicators and their implications in the post-Independence period. It highlights major policy debates and evaluates the performances at grass-root level with empirical evidence.

5. Outcomes: Students will be able to understand the major policy debates and evaluate the Indian policies in different sectors under different policy regimes. They can also learn goals, constraints, institutions and policy framework, structural changes of various policies such as monetary and fiscal policies.

6. Assessment Pattern: The pattern of assessment will follow "Continuous Evaluation System" which carries a total of 100 marks. This consists of three sessional tests (including term paper and presentation etc) with 30 percent weightage and End Semester examination with 70 percent weightage. Out of three sessional tests Grades for best two will be counted.

Lecture Hours (including Tutorials and Contact Hours): 15 x 4 = 60 hours
