File No.: 1-1/2026(TBMuktBharatAbhiyaan) **28 श्रावण 1948/ 19th August,2026**

Subject: Follow-up regarding TB Mukt Bharat Abhiyaan in Higher Education Institutions – reg.

आदरणीय महोदया/महोदय,

Reference is invited to UGC's earlier letters dated **08.06.2026** and **31.07.2026** regarding implementation of the **TB Mukt Bharat Abhiyaan** in Higher Education Institutions (HEIs), wherein all HEIs were requested to undertake various awareness, sensitization, outreach and community engagement activities towards contributing to the national goal of a **TB-free India**.

In continuation of the above, and with a view to sustaining and further intensifying the participation of the higher education sector in the **TB Mukt Bharat Abhiyaan**, all HEIs are once again requested to take proactive and sustained measures and ensure effective implementation of the activities envisaged under the aforesaid communications.

HEIs are also requested to **submit details of the activities undertaken, as well as those initiated or proposed to be undertaken, under the TB Mukt Bharat Abhiyaan** through the following Google Form:

Google Form Link: https://forms.gle/2V3qLysqhQZaHZ9G8

The information submitted by HEIs will facilitate consolidation and monitoring of the activities being undertaken across the higher education sector.

Further, as part of the continued sensitization, UGC is organizing a special lecture under the **Chetna Series** on:

"TB Mukt Bharat Abhiyaan: Creating Awareness for a TB-Free India"

Speaker: Dr. Shobini Rajan, Deputy Director General (TB), Central TB Division, Ministry of Health & Family Welfare
Date: 25th August 2026
Time: 10:00 AM

All HEIs are requested to ensure **maximum participation of students, faculty members and non-teaching staff** in the above session. The lecture will also be **live webcast through UGC's official social media platforms**. HEIs are therefore requested to widely disseminate the details of the session and encourage members of their institutional community to join the live webcast through UGC's social media handles:

X (Twitter)	https://twitter.com/ugc_india
YouTube	https://www.youtube.com/@UGC_India
Facebook	https://m.facebook.com/UniversityGrantsCommission/
LinkedIn	https://www.linkedin.com/company/ugc-india/

HEIs may also share the live webcast details through their institutional websites, social media platforms, student groups and other appropriate communication channels.

The active participation of HEIs is vital for creating greater awareness among the youth and extending the reach of the **TB Mukt Bharat Abhiyaan** to the wider community. HEIs are, therefore, requested to accord due priority to the activities under the Abhiyaan and undertake them in a sustained and visible manner, thereby contributing meaningfully to the national vision of a **TB-free India**.
