Guidelines for the sponsored research projects/consultancy
Babasaheb Bhimrao Ambedkar University, Lucknow-226025

Vision
To be a leader in Science and Technology, Education, Knowledge creation and Innovation in India marching towards an impartial, inclusive and sustainable society.

Mission
- To create knowledge through team effort and individually for the benefit of society.
- To inculcate a spirit of entrepreneurship and to impart the ability to devise globally recognized solutions for the problems of society and industry.
- To train teachers capable of inspiring the next generation of engineers, scientists and researchers.
- To work intensely with industry in pursuit of the above goals of education and research, leading to the development of cutting edge and commercially-viable technologies.
- To operate in an ambience marked by overriding respect for ability and merit.

1. SCOPE

These Guidelines shall be called "R&D" hereafter & shall apply to all activities stated there in. These rules supersede all existing R&D rules.

2. TERMINOLOGY

2.1. Sponsored Research Project: Time and cost bound projects sponsored by Government, public, private, national/international agencies and autonomous bodies. The project cost including cost towards contractual manpower, deputed manpower, equipment, consumables and support services of the University are borne by the sponsor.

2.2. Sponsor: The organization that sponsored the Project to the University and gives necessary financial support for the successful completion of the project in time.

2.3. Principal Investigator / Investigator-In-Charge (PI): A faculty member of the University with the necessary expertise and competence to conduct a Sponsored Research / Industrial Consultancy work. Normally, the faculty member who submits the project proposal and discusses/negotiates it with the sponsor and is instrumental in getting the project is the Principal Investigator. For administrative reasons, the Principal Investigator of some projects may be appointed with the permission of the competent authority in consultation with concerned HoD if the original Principal Investigator leaves or his/her service are not available to the project for any other reason.
2.4. Co-Investigator (Co-Pi): A faculty member co-opted by the Principal Investigator to work jointly with him/her. If the PI leaves the University or goes on leaves, a Co-Investigator assumes the power of the PI with the approval of the Director (R&D).

2.5. Consultancy Project: Time-bound specific problem-solving projects sponsored by funding agencies with payment of consultancy fee/honorarium to the Investigator(s) in addition to all other expenses.

2.6. Individual Research and Development Grant Fellowship: Research and Development grants-in-aid offered to individual faculty, research fellows from the sponsors and executed using University facilities with financial support from the granting agencies towards equipment, contingency, overhead, fellowship etc.

2.7. DIRECTOR (R&D): Director (R&D) is designated by the Vice-Chancellor, Babasaheb Bhimrao Ambedkar University, Lucknow as Head of the Research & Development office. The Director (R&D) has full responsibility for project administration including:
   i. Acceptance of Sponsored Research and Consultancy projects from the Sponsor on behalf of the University.
   ii. The recruitment, extension, assessment, termination and invoking disciplinary procedure against project staff.
   iii. The Director (R&D) will be authorized to approve purchase up to a sum of 5 lakhs and issue the supply order.
   iv. An advisory committee may be constituted by Director R&D as his/her Chairmanship for the facilitating the research and development activities in the University.

2.8. University Development Fund (UDF) means a part of the Institutional Overhead Charges received for sponsored research and a part of the University share from Industrial Consultancy project credited to a separate fund operated by Finance Officer, BBAU and transfer every year to University Development Fund/Corpus fund of the University.

2.9. Departmental Development Fund (DDF) means a fund of the Department/School/center to which a part of the University share from Consultancy Projects and overhead charge from the Sponsored Research Projects are transferred to the concerned academic department(s)/Schools/centers. The objective of this fund is to provide an additional grant to the department/Schools/centers for its developmental activities.

2.10. Professional Development Fund (PDF) means fund for individual academic staff who will contribute to PDF, the objective of which will be to help an individual in their professional development. A part of the University overhead charges from Sponsored Research Projects (as a non-lapsable component) shall be transferred to the PDF of the concerned PI.

3. SUBMISSION OF PROJECT PROPOSAL
   Principal Investigator forwards his/her research proposal along with Annexure 1 through
the head of the Department to Director (R&D) office to complete the necessary Project proposal submission requirement like Endorsement Certificate. PI must ensure that proposal is free of plagiarism and in proper proposal submission format of the funding agency. Research proposal should be submitted one week prior of the last date of proposal submission to the office of Director (R&D) for the endorsement certificate or any other necessary requirements related to it.

NOTE:

i. The P.I. should forward his Project Proposal to Head of Department along with Annexure I.

ii. The Head of the Department of the concerned Department should endorse and forward the Project proposal to Director (R&D) office within 24 h.

iii. The office of the Director (R&D) should endorse and forward the approved research project proposals to the given funding agency or PI for the online/offline submission in 5 working days of receipt of the proposal.

iv. Project Proposals that require Ethical Clearance/Bio-Safety Clearance/ Animal Ethics Clearance will be concurrently submitted to the concerned Committee/s by the PI under intimation to the Director (R&D). The concerned Committee should convey its decision within a reasonable time of period (3-5 months). The secretary of the concerned committee can provide a certificate of submission of application for clearance within 3-5 days after submission of the application and Proper clearance can be issued when the committee scrutinizes the application. Director (R&D) cannot be held liable for such clearances as its subject-specific. In case the same is not available within the stipulated time, the Director (R&D) shall remind the concerned Chairman to ensure that the clearance is issued without delay.

v. If a project has one or more Co-PI, the role of PI and Co-PI(s) may be defined. All the correspondence relating to the Project will be sent by the PI directly to the Director (R&D) office.

vi. Approval of School Dean and VC will not be required for submission of a new proposal. The approval of the Director (R&D) is sufficient for the submission of the proposal. Director (R&D) should inform to Registrar by sending endorsement copy to the office of Registrar.

4. ALLOTMENT OF PROJECT CODE NUMBER.

i) On sanction of the project, PI will submit the registration form to the Director (R&D) (Annexure 2) on receipt of the first installment of funds of a new project. The office of the Director (R&D) will allot a project code no. and communicate the same to the PI and other concerned offices within 2-3 days. This number must be referred to in all correspondence relating to the project.

ii) Project grant will be received in the name of Registrar/Finance officer, (BBAU), Lucknow by cheque/draft or electronic transfer.

iii) Once the PI or the funding agency informs the Dean/Director/Registrar that the funds have been sanctioned and likely to arrive soon, a proactive effort from the Finance/Research & Development Section is required to track the arrival of funds in the bank and inform the PI so that work can start immediately.

iv) Maintenance of the independent account and Project ID: Nowadays most of the grants (start or subsequent) are being released through RTGS/e-payment. On getting the
sanction order of the Project, PIs should coordinate with Funding Agency for release of funds and convey this information to the Finance Section so that the grant may be credited to their project account without any delay. Projects are in three categories such as Grant in Aid Project (GAP), Sponsored Project (SSP) and Consultancy Project (CNP). The coding of the above project should be designated as GAP/SSP/CNP. A separate project account should be opened in the University Bank, with a unique Project ID, which could be: "types of project/Department/Funding Agency/Year of Start/ R&D office Code of the Project" for example GAP/DES/DST/2018/014.

v) The effective date of implementation of the project shall be as defined by the granting agency. If such a date is not defined by the funding agency, then the date of the first expenditure shall be the effective date of implementation of the project.

vi) Any expenditure incurred before the allotment of Project code number and after the expiry of tenure of the Project shall not be admissible unless permitted by the funding agency.

vii) Operational Head of the Project: PI of a sanctioned project is considered to be the prime interface between the funding agencies and is considered the operational head of the project. PI of the Project should be treated as Head of the concerned unit, as per the earlier order. This practice should be followed. Normally, the faculty member who submitted the project proposal and discusses/negotiates it with the sponsor/funding agency and is instrumental in getting the project is the Principal Investigator. For administrative reasons, the Principal Investigator of some projects may be appointed by competent authority the in consultation with the concerned HOD, if the original PI leaves or his/her services are not available to the project for any other reason.

viii) Contingency grant of the projects: PI of the project shall be responsible for the use of contingency funds as per the project requirements. GFR is to be followed for the usage of contingency funds.

5. File route: P.I./C.I. → Head of the Department → Dean of School → Director (R&D) → Finance Officer/Hon’ble VC (if required) → Registrar* (duration- 3-5 working days).

Note-
*Registrar will directly mark the file to Assistant/Deputy Registrar (R&D) after approval of competent authority.

6. Structure of Director R&D office:
   i) Director
   ii) Associate Dean(s)

7. Recruitment procedure:
   7.1. All project appointments will be contractual and on the temporary basis of consolidated monthly emoluments as applicable to different sponsored projects.
   7.2. The tenure of contractual appointment of a project shall be as per the project specifications/guidelines.

7.3. A project employee shall execute a contract Agreement on non-judicial stamp paper of value at least Rs. 100/- at the time of joining with the explicit provision that contract may
be terminated by either side (Staff and PI) by giving one month’s notice or one month’s consolidated emoluments in place of the notice.

7.4. Selection of JRF / SRF / RA/project Assistant/project attendants or any other shall be as per the guidelines provided by the sponsoring agency and with the approval of the Director (R&D). In case there are no explicit guidelines of the sponsoring agency then university rules or as decided by the office of Director (R & D) shall be applicable.

7.5. The PIs shall consider prevailing emoluments package, general qualifications and experience for staff while preparing the project proposal (Annexure 3). The PI will also submit the qualification(s) & experience prescribed for the positions. The proposed qualification & experience can be higher but not lower than the R&D office of BBAU/ Funding Agency norms.

The PI has two options for holding these selections which are as under:
Option I - Walk in Interview/written test
Option II - Shortlisting followed by test and/or Interview

7.6. After receiving requests from concerned PI, R & D office will prepare the advertisement covering all the requests and post it on BBAU website and notice through advertisement in single National/local Newspaper indicating “Details of the advertised Project Positions are available on BBA University website. Interested candidates may visit the website. To limit the expenditure, in case of re-appointment in the same project, advertisement notice will be posted on the University website and can be communicated to at least 10 other Universities/Institutes by email. The proforma for advertisement is given in Annexure 4 (with the approval of the Director (R&D)).

7.7. The Selection Committee for the recruitment of project staff for each project will be constituted as follows:

a) The short listing of the applications of project staff is to be done by the PI and sent to Director(R&D) for approval.

b) Selection Committee for Project staff recruitment as given in the Annexure 5:

i). Principal Investigator (PI)  -  Chairman
ii). Director (R&D) or his nominee  -  Member
iii). Head of the Department  -  Member

v) An expert from the Department/School (to be nominated by the PI) - Member
vi) An expert from a related discipline preferably From another School or another University/Institute (to be nominated by the Vice-Chancellor or his nominee)  -  Member
vii). Expert nominated by the Funding Agency (if any)  -  Member
viii). SC/ST Nominee (to be nominated by Director R&D)* -  Member

*The SC/ST nominee is only essential in the case of SC/ST applicant under the govt. Funded project. Minimum Five members including VC nominee shall constitute the quorum of the committee.

The Committee is to be approved by the Hon’ble VC. The Director (R&D) & PI shall fix
on the recommendations of the selection committee, the duration of the contractual appointment and the monthly consolidated emolument as per the norms of the funding agency. A summary of candidates called for interview will be prepared as given in Annexure 6. The contract is to be renewed every year on the recommendation of the PI after the approval of Director R&D.

7.8. Proceedings of the Selection Committee meeting will be recorded as per proforma in the Annexure 7 and 8. Soon after the meeting of the Selection Committee, the PI will forward the following documents (Annexure 9 & 10) to the Director (R&D). The office of the Director (R&D) shall examine the proceedings of Selection Committee and communicate approval or otherwise to the PI within one week of receipt of complete documents. The PI shall issue appointment letter as per Annexure 10 and forward a copy of the joining letter (Annexure 11A) to the Director (R&D) as soon as the candidate joins.

7.9. In case of an urgent requirement, PI can hire project staff for a period maximum up to 3 months after approval of Director (R&D). The PI must ensure that the hiring is as per specific requirements, within the financial limits of the project and is following the relevant rules/guidelines of the Funding agency/University at the given time. In any event, approval for contractual engagement for more than 3 months would not be given. Essential qualification of the project staff will be the same as sanctioned post under the sponsored project.

7.10. The project employees may be entitled to HRA if accommodation on the campus not made available to them. Expenditure towards subsidized campus accommodation / HRA may be charged to the salary head of the respective project. HRA shall not be granted to project employee in case of consolidated salary proposed by PI and the same sanctioned by the funding agency.

7.11. All project staff shall work for the project only unless agreed to otherwise by the Director (R&D).

7.12. PIs shall be the sanctioning and controlling authority for all types of leaves for contractual project staff.

7.13. Conduct Rules: project employees shall
   a) Follow general code of conduct as approved by Director (R&D) (as given in Annexure 11B
   b) Maintain secrecy of the research findings / technical information and shall not get involved in unauthorized communication of any official document or information to others without consultation with PI.

7.14. Director (R&D) may constitute a committee to conduct disciplinary actions, if necessary against project employees. Based on the report, suitable disciplinary action may be initiated and punishment will be imposed by the Director (R&D).
7.15. Promotion from JRF to SRF shall be as per guidelines of funding agency.

8. FINANCE AND ACCOUNTS:

8.1. A separate book of accounts shall be maintained for each project. R&D Office shall be responsible for submission of statement of accounts as and when required by the sponsors. Govt. audited statement of accounts at the end of each financial year shall be provided if required by the sponsor.

8.2. In general, for sponsored research projects, 10-20% of the total project cost shall be charged towards Institutional charges (overheads) for utilizing the infrastructural and other facilities of the University. However, if the norms of funding agency specify the same or have no such admissible head, then the norms of funding agency shall be followed. The distribution of Institutional overhead fund may be utilized by PI (20%), University developmental fund-30%, corpus fund-30%, and the Department development fund-20% for the developmental work of research activities.

8.3. PIs shall arrange to maintain Procurement-cum-purchase Registers and Stock / Asset Register (i.e., in Form GFR 19). These shall be verified by Govt. Auditors and R&D Office as and when required. All purchase proposals in line with the purchase procedures of the University shall be processed by the R&D office.

8.4. Accounts for sponsored projects shall be maintained under five broad budget heads. They are Salary, Equipment, Contingency & Consumables, Travel and Institutional Charges (Overhead). Minor adjustment in approved budget heads may be permitted by the Director (R&D) without violating the norms of funding agency significantly.

8.5. All expenditures shall normally be made within the proposed date of completion of the project. An exception may be permitted with the consent of the sponsor.

8.6. PI shall be allowed to spend Rs. 25,000/- for an urgent requirement of consumable, IT-related items, stationeries, and other lab-related items, and adjust within three months of spending.

8.7. Under special circumstances, PI may request for transfer of fund from one head to another head (Annexure 12) of the same project with the approval of the funding agency (if required).

8.8 Purchases procedure:
- On receipt of the 1st installment of the project/ grant from the funding agency, the PI will inform the office of the Director (R&D) about the break-up of the received grant under different budget heads, unless already indicated by the funding agency. On receipt of subsequent grants also, the PI shall intimate the breakup. The PI can reallocate the previous year's unspent balance (as per U/C of the previous year) under different heads, as required, provided that the reallocated amounts remain within the total amount sanctioned by the funding agency under the given budget heads.
• Each project must have a separate Project Purchase Committee (PPC) as given below or P.I. may opt existing Departmental Purchase Committee:

  i. Principal Investigator of the project (PI) - Chairman

9. **TA AND DA RULES:**

Travel may be undertaken for meeting of funding agency visits, meetings outside the University, participation in Conferences /Workshops/ Seminars in India and abroad (if permitted by the funding agency). **The Government of India TA & DA rules will apply to the PIs and project employees for all sponsored research/consultancy projects.** However, there could be some relaxation in the TA & DA rules for the PIs and project staff, subject to the availability of fund and with prior approval of the Director (R&D) as given in the detailed TA & DA rules for the R&D staff. Many of the projects require to travel both local and outside the head-quarter. The Principal Investigators (PIs) / Consultant Incharges (CIs) and Project Staff can visit places outside the University as per entitlement, subject to availability of funds under the budget head "Travel or TA/DA" of the project. The rate of mileage would be as per the rules followed by the Govt. of India/University for local and outstation tours. The advance may be provided to PIs/CIs on his/her request for attending conference/others, which can be adjusted after submission of the bills. Alternatively, the amount can be reimbursed to the respective PIs/CIs on submission of bills verified by him/her. Travel expenses of the external expert can be incurred from the contingency head of the project.

10. **CONSULTANCY PROJECTS:**

Each consultancy project has a consultant in charge (CI) who is a faculty member or /non-teaching staff (subject to prior approval of competent authority) in the service of the University and is responsible for:
i. Formulating the project proposal which may include planning of the work to be done, estimating costs according to the guidelines provided in the University regulations, if identifying other faculty members (s) in the service of the University to work as Co-CI of the project and identifying technical staff for assistance, if required.

ii. Co-ordination and execution of work.

iii. Associating students, outside experts and external agencies, as and if required.

iv. Handling all communications with the client.

v. Writing intermediate and final reports for the project.

vi. Making recommendations to the Director (R&D) regarding expenditure from the project fundsand remuneration to be paid to faculty, staff and students.

The client (sponsoring organization) usually approaches the University for Consultancy Work through a faculty member or a functionary of the University (i.e. Head of the Department, Director R&D or Vice-Chancellor). When a faculty member is approached for the work, he/she will generally be the CI if the work falls in his/her area of expertise. If he/she does not wish to be the CI, the HOD/Centre will identify a suitable person as the CI. If the project is referred to a functionary, the concerned HOD would identify the CI according to the required expertise for the work.

Normally the agreed charges of the project are to be deposited by the client, in full, before the work commences. However, this stipulation is negotiable. In cases where the work is started with an only partial payment, the arrangement of balance payment will be spelt out in advance and approved by Director (R&D). The Registrar or the Director, R&D, on behalf of the University will receive all the payment from clients.

CI will take the approval of the Director (R&D) through the concerned Head of The Department for undertaking the consultancy project.

10.1. Information for a New Client

A new client (an organization or industrial company looking for a consultancy service from this Institute) may proceed as follows:

1. If the client has identified an individual faculty member who can handle his problem, he can write a few words on his problem or requirement to that faculty member or speak to him on the telephone. Telephone Numbers and e-mail address of all faculty members/officials of the University are available on the BBAU website.

2. If not so, the client can browse through the bio-data of faculty members and try to identify a faculty member whose expertise and experience are relevant to the problem/requirements of the client, and then write/speak to him.

3. If (2) is not possible, the client may browse through the list and activities of the various departments, and try to identify a Department of the University relevant to his problem/needs and write to the Head of the concerned Department. The e-mail address or telephone can be seen from the web pages of the respective Department.
The Head will identify an individual faculty member who can take up the job and inform his/her name to the client so that further correspondence/dialogue can be held directly between them.

4. In case (3) is also not possible, the client may write briefly about his/her problem/needs to the Director (R&D). A detailed address of Director R&D is provided on the University website. The Director (R&D) will identify the department/individual faculty member and inform the client. Subsequently, the client can have correspondence/dialogue directly with the Head of Department or the faculty member. The project file will be closed with the submission of the final project report and disbursement of fee to the consultants and others.

10.2 Testing Services
The University will undertake routine and non-routine testing jobs provided facilities are available and such testing does not interfere with any teaching or R&D work. The testing jobs can be initiated by the faculty.

10.3 Honorarium and University charges
The distribution of consultancy charges may be as 50% to CI and others involved in the project work as an honorarium, 10% to Departmental developmental fund (DDF), 15% as corpus fund of the University, 15% as University development fund and 10% to PDF of concerned CI. The DDF may be utilized by the concerned department for the purchase of equipment and/or material or any academic activity and promotion of the industry participation.

11. INTELLECTUAL PROPERTY RIGHTS (IPR):
11.1. Unless otherwise agreed with the Sponsor in the project agreement, Intellectual property Rights for any discovery or invention originating from the Sponsored Research and Consultancy Project shall jointly rest with the University, Investigator(s) and the Sponsoring Agency unless the Sponsoring Agency authorizes the University in writing to have the exclusive right. Patent/copyright application before the Registrar/Controller of Patents shall be filed by the R&D office based on the recommendations made by the patent/Copyright Committee.

11.2. For the effective protection of IPR, it is necessary that the PIs should maintain a register that gives the details of the work done and salient findings on daily/weekly basis. This register should be signed by the PI and by at least one other faculty/project employee as a witness to the result.

11.3. For the copyright protection of software/technology, registration of the software at the University shall be made and properly documented. The list shall be centrally made available to the R&D office.

12. TECHNOLOGY TRANSFER:
The PIs shall not independently transfer technology either on an exclusive or non-exclusive basis to any party without the consent of the IPR owners. The terms and conditions for each of such technology transfer shall be worked out on a case to case
basis with the approval of the Director (R&D)/ Vice-Chancellor, BBAU.

13. DUTIES AND RESPONSIBILITIES OF THE PRINCIPAL INVESTIGATORS (PIs):

13.1. Sponsored Research and Consultancy projects shall be undertaken only with the prior approval of the Director (R&D). All research project proposals are to be submitted to the R&D office for endorsement of the Director (R&D) before onward transmission to the funding agency. In case of online submission, the PI needs to submit a copy of the proposal to the R&D Office for endorsement of the Director before on-line submission.

13.2. It shall be the responsibility of the PI to get the project work completed satisfactorily within the sanctioned grant and duration.

13.3. The PI shall ensure that the head-wise expenditure does not exceed the budgetary allocation. For effective control, periodic (or as and when required) expenditure details shall be made available to PIs by R&D office.

13.4. The PIs shall be responsible for submission of periodical and/or final technical report(s) of the project work as may be required by the sponsoring agency. He/She shall also send a copy of the final technical report to Director (R&D).

13.5. The PI shall write to the sponsor for timely release of the fund with a copy to the Director (R&D) for follow up. R&D Office will provide the un-audited/audited statement of accounts to PIs for forwarding the same to the sponsor.

13.6. The PIs shall sanction/control the leaves for the contractual employees working in their projects under intimation to the R&D Unit.

13.7. Submission of Annual Statement of Expenditure/Utilization certificate, closure of Project Account and issue of "No Dues: certificate to the PI: The PI and Co-Investigator/s (if any) will be responsible for timely submission of progress reports as required by the funding agency. At the end of each financial year, the Annual Statement of Expenditure (SE) and the Utilization certificate (UC) will be prepared by the PI. The office of the Director (R&D) will support for quicksettlement/issue of the SE and UC, and these will expeditiously forward to the concerned funding agencies so that the next year's funds are released in time. The Principal Investigator should settle the accounts within three months on completion of the Project. The PI should submit a request for the closure of the project after the completion of the project (Annexure 13) and Dues from the office of the Director (R&D).

14. FINANCIAL BENEFITS TO PIs / CO-PIs/CIs AND PROJECT STAFF:

14.1. Within the framework of a sponsored project, PIs shall be permitted to have consultancy fee/honorarium, if the sponsor so approves. The consultancy fee/honorarium thus received shall be shared between the PIs and the University in the ratio approved by the University (50:50).

14.2. Depending on the availability of funds under Travel head and with the approval of the Director (R&D), expenses (TA, DA, Registration Fee etc.) for presenting papers in National Conferences in fields relevant to the project, shall be given to PIs/ Co-PIs/CIs from the project fund provided such visits are approved by the Director R&D.
14.3. On recommendations of PIs, contractual project staff and students working in projects may be permitted with the approval of the Director (R&D) to present papers in National Conferences. TA, DA and Registration Fee support can be provided to project staff and students from the available fund under Travel head of the project.

14.4. The PIs shall prepare project proposals keeping
   (i) The prevailing scholarship/consolidated salary
   (ii) General qualifications and experience for staff required
   (iii) Rules of the R&D in mind.

APPOINTMENT LETTER FOR RESEARCH/CONTRACTUAL POSITIONS

Ref. No./
To: ........................................
........................................
Subject: Engagement of........................................under the sponsored Project "........................................"

Reference: Your application dated __________________

Dear Sir/Madam,

On the recommendation of the Selection Committee which met on, you are engaged on a Job Contract basis, as on an emolument of Rs.____________(Rupees_only) per month, on the following terms and conditions:

2. The engagement is for the above externally funded Project only and is not transferable to any other Project.

3. The Contract is for the duration of the said project and co-terminus with it, or for a period not exceeding ______________ Months/years, whichever is earlier. However, the initial engagement will be for a period of six months, extendable from time to time depending upon your performance.

4. It is not an appointment at the University, temporary or otherwise. It is purely a job contract for the period as stipulated in clause 2 above. It does not, therefore, confer any right, claim, implicit or explicit, for your continuation/regularization/absorption in BBAU against any post/position.

5. The Contract may be terminated at any time without assigning any reason thereof.

6. No travelling allowances will be paid to you either for undertaking the contract or on termination of the same.

7. Your engagement on contract will be subject to the production of the following documents at your expense at the time of your reporting for duty:
   i. Medical certificate of health and physical fitness for the contract issued by the Medical Superintendent, BBAU health centre.
   ii. Documentary evidence in support of your date of birth, qualification and caste.

8. In case it is detected at any stage that you have committed any fraud or forgery in seeking this contract, your contract shall be immediately dispensed with, without any notice.

9. Your contract shall be subject to the terms and conditions that may be framed from time to time as per the requirement of the research work.
